

Our Sustainability vision – CREATING A BETTER WORLD FOR YOU

At Kimberly-Clark Professional* we believe sustainability is essential to any business. That is why we are working towards a set of core sustainability objectives. You can feel confident that when you purchase our products, you are not only improving the health of your employees, you are supporting a more sustainable world.

You want to create a workplace that is healthier, safer, more productive and sustainable, and we are committed to helping you do this.

The three key components of our sustainability vision are closely aligned with the workplace programs we provide, helping you to create Exceptional Workplaces*.

THE HEALTHY WORKPLACE PROJECT*
